I am Tarek Swilah a 37 years old Senior Graphic Designer & Photographer from Tunisia I've got my BA in graphic design from Tunisia in 2009 and currently I'm working in Qatar.

Conceptual innovation, a robust work ethic, and productive team collaboration are all essential components to success in creative design. As a skilled senior graphic designer with more than 12 years of experience developing and executing a wide variety of successful print, multimedia, and e-marketing design projects, I am positioned to make a significant impact as your company next Senior Graphic Designer.

My background includes designing and implementing on-message, effective creative projects and services from concept through completion for a variety of high-profile clients. With expertise in a broad range of design software applications —along with my ability to collaborate effectively with clients, peers, and senior management teams.

With my keen ability to direct the evolution and execution of conceptual design projects, combined with my steadfast commitment to top-notch design quality and production, I am prepared to excel in providing outstanding graphic design services and artistic direction to your company.
